

2013 RIESLING

Anderson Valley

**HANDLEY
CELLARS**

The grapes for this wine came from a higher-elevation vineyard, located above the valley floor in the region where two appellations - Mendocino Ridge and Anderson Valley – overlap. This older planting, much of it on its own roots, provides us with Riesling that has complex flavors and acidity similar to its European counterparts

A dry style of Riesling, this wine has aromas of pineapple and green apple. Mouthwatering flavors of lemon curd, Granny Smith apple, passion fruit and Asian pear linger on a crisp, clean finish.

The perfect balance of tartness and sweetness make this Riesling perfect with salty charcuterie, traditional Alsatian Choucroute, or spicy East Indian dishes.
