

The Handley Cellars Estate is located in the westernmost Deep End of Anderson Valley, only 30 minutes from the Mendocino coast. The vineyards are planted on gently sloping hillsides where they enjoy southwestern exposure. Planting began in 1986, followed by new blocks in 1987, 1990, 1998, 1999, and 2010. The 28.6 certified organic acres of vineyards surrounding the winery consist of 14.5 acres of Pinot Noir, 12.3 acres of Chardonnay and 1.8 acres of Gewürztraminer.

**Block-Varietal**  
Year planted, Clone, Rootstock

**1A-Pinot Noir**
